

LETS SAVE ENERGY? BINGO

walk
instead of
driving

spend time
outside
everyday

Use natural
Ventilation
(If possible)

Turn off
heater when
leaving the
house

turn off
lights

Use
natural
light

reuse an
item
creatively

educate
others on
energy
conservation

share a
fact on
protecting
Earth

Use power
strips to turn
off devices
more
efficiently

learn about
clean
energy

Try using the
microwave
more than
electric stove

unplug
unused
electronics

Recycle old
electronic
waste

Fully fill
washing
machine
before
starting load

Use one
device at a
time

Use shortest
appropriate
washing cycle

Use energy
efficient
light bulbs

bike
instead of
riding the
bus

Hand wash
dishes

start an
eco-
friendly
program

Insulate
home to
reduce
heating

repair
instead of
rebuying

recycle

EARTHDAY everyday
